

Wesley De Witt

(317) 419-9842 wesbdewitt@gmail.com Muncie, Indiana

Summary Over the course of my career, I have worked in retail, as an Uber driver, in logistics, and as an IT technician while a student at Ball State University. From this experience I have developed a broad skillset that leaves me equipped for a role in any business that is in need of an employee who is well-rounded and broadly adaptable.

Skills

Customer Service
Years of front-line retail and rideshare experience keeping customers happy.

Physical Capability
Able to lift heavy loads, stand for extended periods, and keep pace in a fast-moving environment.

Forklift Operation
Hands-on experience operating a forklift in a warehouse setting.

Computer Proficiency
Experienced with Microsoft Office and comfortable learning new software quickly.
